FOREWORD

It gives me great pleasure to write on the occasion of the 20th Anniversary of the N.C.E. Students' Hostel. The desirability of having a hostel at Northcote was conceived at the very time when the College came into existence in 1939. It was (and still is) recognised that an environment for the development of social attitudes and for the gaining of experience in community life would contribute much to the growth of maturity of the student-teachers and a hostel was considered an ideal place. Much thought must have gone to the inclusion and to the design of the present hostel when the College was assigned its new buildings at Sassoon Road amidst such a scenic location in 1962. Over the years, many residents together with their wardens have helped to improve the facilities and to shape the pattern of life that we enjoy to-day.

Northcote College has gone through many changes in the past twenty years and the hostel students are among the first lot of people to witness these changes and be affected by them. Nevertheless, the picturesque surrounding at sunset continues to enchant not only College students but also visitors specially those from abroad; the peaceful atmosphere, too, never fails to supply grain of thought to inspire even the less imaginative; and the spacious accommodation is always ready to provide the needy 192 with comfort and convenience.

It is difficult to assess the extent to which the hostel has altered the view of life in many of its residents. Fortunate are those who have been afforded the opportunity to leave behind, in a magazine such as this, some of their sentiments. To many a reader, these pages may serve to recall fond memories of a not too distant past. At this stage, all we can hope is that our hostel would remain intact as long as Northcote continues to play its role in the education circle in Hong Kong.

HO Siu-lun
(HO Siu-lun)
Principal

THE FIRST YEARS OF NORTHCOTE HOSTEL

When we first moved to Northcote College in August 1962, it was just in the aftermath of Typhoon Wanda, the most vicious typhoon since the war and there were evidences of minor damage to the College buildings.

The other wardens were Mr. Timothy Yung (now Principal of Queen's College), Mrs. Kitty Wu who has retired and emigrated to the United States and Miss Tellis who died some years ago. We were all new to the idea of hostel life as were all the students except the few who had been studying in the various post secondary colleges and were in the Special One-year Course.

Everyone seemed to settle in happily except for a perennial problem of getting the lights out in the bedrooms at eleven p.m. in order to ensure that students could get to sleep if they wanted to, and again we had to ban radios because students complained that some residents were listening up to 2 or 3 a.m. and keeping them awake.

In those days we tried to run a film club, hiring films for showing in the large lecture theatre (501). This was successful until we tried to get students to pay for the hire of films which brought the film club to an abrupt end. We also started hostel dances which started in a small way but developed later into a very popular event with the only difficulty being that students always turned up one or two hours after the start and then were very unwilling to leave when the time came to finish. (have things changed now?)

We also used to run occasional staff/student evenings when some members of staff would come in and take on the students at table tennis and badminton. The students, I remember, usually were better than the staff and sometimes found it difficult to lose and thus maintain face all round!

I think the first major problem came in 1964 when the acute water shortage caused strict water-rationing so that we used to get four hours' water every fourth day. We had to get great open water tanks in the wash rooms to keep four days supply and students soon developed good self-discipline in economising in water. The most serious problem was the lavatories getting clogged due to lack of flushing water and this was eventually solved by getting the fire-brigade to bring in water for this purpose.

The next major problem that occurred was the rainstorm of June 12, 1966 when fourteen inches of rain fell in one day with seven inches falling in one hour. This was a horrifying experience and it would happen when the drains were blocked and were being repaired so that the minor staff quarters were very nearly flooded. The worst occurred early on Sunday morning and not much later refugees from the village in Telegraph Bay, which was flooded, started straggling in and we had to give them shelter in the canteen. Fortunately, being a week-end, there were few students in the

hostel so that feeding problems did not arise for residents but there were something like 800 refugees by the time the day was over and the government emergency food supplies arrived. The whole of Hong Kong was paralysed for two or three days and the Peak was cut off for road traffic. We had to shelter the refugees for two or three days before they could return home.

We have very happy memories of our days in the Northcote Wardens' Flats and our youngest son was born while we were there — he is nineteen years old now. Queen Mary Hospital was very convenient for this sort of thing but it was also too convenient in other ways as it always seemed to be just after I had gone to sleep that someone would decide they were going to die and wanted to see a doctor immediately. After several such journeys up to the Casualty Department I got a bit wiser and, on receiving such a call, I would take a glass of water and an aspirin across to the patient and convince him or her that they would survive till morning.

There was always a special feeling of good fellowship among the Northcote Hostel students and I got the impression that students were happy there — they were certainly full of life and ready to take part in activities and I am sure that today's residents are just like that too.

A handwritten signature in black ink, reading "Mr. Chamberlain", with a long, sweeping flourish extending to the right.

MR. TERRY CHAMBERLAIN

A LETTER FROM MRS WU

Dear Mr Chu

.....
I was one of the wardens when the Hostel opened its door in 1962, and I left on personal reasons after working almost twelve years. I believe the kind of activities we had then were very similar to those you are having now. Strange enough, we never had any photograph taken in any of our Hostel functions or events. Therefore, I am unable to send you any as requested. However, I remember that we were just like one big happy family with a few normal harmless mischievous children now and then. There was never a dull moment, and I certainly enjoyed being a warden of the Hostel.

With best wishes.

Yours sincerely,

Katherine Wu
MRS. WU YUNG KIT-CHUN

MY TIME IN NCE HOSTEL

I was pleased to hear from the Residents Committee about the celebration this year of its 20th Anniversary, and I am indeed honoured to have been invited to write a few lines for its magazine.

My period of service in the hostel was from February 1975 to July 1981. I remember it as a happy and pleasant place, usually full right up to its total capacity of 128 women and 64 men. Many of those students came from homes where living space was very restricted and study was consequently difficult. As transport problems have grown worse in recent years, so demand for hostel places has increased.

The hostel residents included students from all three years. I found that their behavior was excellent, both among themselves and towards me and the other hostel staff. A Residents' Committee was elected and formed to ensure that day-to-day affairs ran smoothly and to maintain good relations all round. Everybody was always most cooperative in organising hostel functions, and the residents had a wide range of interests outside their ordinary studies, covering athletic, music, art, church activities etc. When teaching practice time came around, I used to watch them set off to their various schools, weighed down with books and papers and bits of teaching equipment and I would wish them luck and success with all my heart.

In my day, each resident contributed a sum of money to the Entertainment Fund which was used to cover expenses of hostel functions, like the Welcome party and the Farewell party. Other events during the year, for which the Fund was used, were Sing Along Night and Barbecue, both of which were always hilarious, happy occasions, and Open Day and the Annual Ball which were attended by parents, friends and old students came back to visit their fellow students and hostel authorities. The Farewell was always a poignant occasion, stressing as it did the serious future for the students who were leaving and the friendships that had been made during students days.

The hostel is like a big family, though the students came from widely different homes. I remember one year a first year student died of kidney transplant operation and all the residents showed their sympathy and gave a good sum of money to help his family in need, and visited his family constantly. Hostel residents shared their happiness and sorrows a truly family way.

I have enjoyed remembering it all as I have written this and I hope the hostel will continue successfully and serenely in the years to come.

Ex-Hostel Manageress

訪榮德淵校長後記

□羅金霞

一月十四日那天，與包租婆一同去訪問現任的皇仁書院校長——我們前任的舍監——榮德淵先生（不過，此文公開刊登時，榮校長已退休了）。他是宿舍的第一位副舍監，跟着又成爲第二任的總舍監，在舍監宿舍裡過了差不多十個年頭，所以要清楚宿舍的歷史，就一定要請教榮校長。

未見他之前，心裏有一些恐懼及疑慮——榮先生會否是個嚴肅沉默的長者呢？如果在他面前說錯話，豈不是丟了大家宿生的面子？但是坐下來和他談了幾句話後，便發覺自己的顧慮是多餘的，因爲榮校長是一位非常和藹、平易近人而又健談的長輩。

據他說，他是第一個搬進宿舍的人（那時候，其他舍監及宿生還未搬入）。誰知搬入新宿舍不久，就來了一個不速之客——一位脾氣暴躁的風姐「溫黛」。這位小姐對榮校長倒還客氣，因此他的房子只受到輕微的損壞，但其他三間空置的舍監宿舍卻受到嚴重的水浸。

當年在學院內，榮校長是任教教育科的，由於當時學院的制度是由教育科的講師負責去觀察同學的實習，加上學生總人數稀少，所以講師與學生之間的關係非常密切及融洽。榮校長的泳術有大躍進，也是因爲得到兩個學生的鼓勵呢！

現在居住在宿舍內，偶爾也聽到了宿生埋怨管束太多，其實比起以前的宿生，我們可說幸福得多了。他們除有緊急事件外，逢星期一至五及日晚上十時，便要簽名報到，並且不准在外補習。不過，聽說以前的宿生組織了很

多興趣小組，例如有合唱團、羽毛球組和天文組等，使宿舍生活加添了不少姿采。

問到榮先生宿舍內曾否發生過甚麼大事時，他說大事就沒有，只不過有時實習回來後，個別學生可能精神受了過份壓力，一時未能適應，以致出現精神問題，於是便要勞煩榮校長通知學生家長，並建議他們把子女送院觀察及治療。

跟着我們請榮校長談談大專學院附設宿舍的作用及好處。首先，他認為宿舍的主要功用就是免除了部份住在離學院較遠的學生的交通不便；其次，宿舍的環境更能培養學生的學習興趣；而且更可提供學生一個團體生活的機會。由於宿生年紀相近，故比較容易溝通，彼此互相幫助、互相關懷，在人際關係上，大家得益甚大。所以榮校長十分贊成大專學院附設宿舍；不過，他補充說，這需要合乎該院校的經濟能力的。

最後，當我們問他退休後有何計劃時，他說他不再工作賺錢了，只希望利用空閒的時間來學習唱歌和德語。聽了這話，真是叫人欽佩，他的學問這樣淵博，不但一點自滿也沒有，反而更虛心多方面學習，實在是我們難得的好榜樣。

在擱筆之前，就讓我們在這一角多謝榮校長接受我們的訪問，並且給了我們很多寶貴的資料及意見。

回顧與前瞻

□ 劉敏菲

將門敲了一下，帶着一部錄音機和一本筆記簿，便毅然走入 119 號室（舍監辦公室），吳舍監正悠閒地批閱文件，當他看見我時，便淡淡的問：「妳想知道什麼？」

那時，我想吳舍監一定爲了這次訪問而寫下了數千字的資料，可是，他拍拍兩手，將桌上的文件收下，便對我說：「妳現在可以開始。」

問：你真的可以開始？

答：（他好像看透了我心中的疑惑）資料在腦中！

問：以往宿舍所舉辦的活動與現今的有何分別？

答：最主要的分別是現在宿舍已減少了舉辦一些有組織和定期性的興趣小組活動。
（詳細內容見歷年大事一覽表）

問：那麼，在組織方面又有何不同呢？

答：我認爲現今宿生在組織上的參與性比以前強。

問：（我滿心歡喜的追問下去）你爲什麼那樣說？

答：在宿舍成立的初期，很多活動的策劃和推動都是由舍監負責，宿生通常是處於被動的地位，但現在就嶄然不同了，宿生自己負責組織、策劃和推動各種活動，而舍監只作顧問提供意見，由此可見，宿生對宿舍活動的參與性比以前強了。其實，也許這樣，宿舍生活才顯得更有意義。

問：除了參與比以前強外，還有什麼改進？

答：有一點我要特別提出的，就是近年來宿生在自律方面比以前為佳，所以相處得非常融洽。

問：為什麼會有那樣的改進？

答：我相信是由於一班委員（包括層代表）的推動和鼓勵。

問：除了優點外，你對現今的宿生有何不滿？

答：由於參與活動與否，是沒有嚴格的限制，故此，有些宿生經常不參加宿舍所舉辦的各樣活動，這是令我最失望的。

問：你有沒有想出什麼方法來補救呢？

答：我想應該藉宿舍委員會不斷鼓勵宿生多參與和盡量將活動的內容改進。

問：你對宿舍有什麼展望？

答：首先我要強調一點，這只是我個人的理想，並不是學院既定的政策，我本人極期望他朝一日全部一年級的學生都有機會入住宿舍，使他們有機會學習與不同背景的人共同相處。

問：宿位是有限的。如果一年級的同學全都有宿位，那麼，二年級和三年級的同學又怎樣？

答：那時，二年級和三年級同學的宿位自然減少，我希望只留下少數二、三年級的同學來幫助一年級同學生活而已。

問：換句話說，居住的遠近這因素遲些不會作為入住宿舍的先決條件。

答：妳說得對。其實在香港花費兩小時的交通時間可說是平常。

問：（鐘聲响）吃午餐的時間已到，我也不希望「剝奪」你吃午餐的時間，多謝你所提供寶貴的資料。

NH

勞苦功高 話工友

□林秀麗

□財叔——宿舍的忠僕

宿舍裏的男孩子，大概對財叔也不會感到陌生吧！他天天替你們打掃宿舍與及洗衣房，以至一切井井有條，窗明几淨。他的勤懇盡責，正是我們要學習的；他的經歷，倒也叫我們好好的珍惜這些幸福的日子。

原來，他在十多歲的時候就已經出來社會工作，吃盡多少苦頭，捱了幾許辛酸，但爲了家人，爲了生活，也只得默然忍受。他的生命是積極的，他從不抱怨。

告訴你，財叔曾在動植物公園當過十年園丁呢！對於園藝，很有認識，可列爲「專家」矣！要是你想種些小盆栽，美化一下居室，或

是增添一下生活情趣，都不要忘記了這座「城皇廟」啊！

□陳伯——宿舍裏的萬能老倌

宿舍裏的同學，相信都認識陳伯的。他効命於羅師經已五年了，天天都忙着給我們派報紙、聽電話、修理損破……，照顧週到，服務一流。所以，住在這兒的宿生，有不認識陳伯的，真是——說得不客氣一點——有眼無珠、好打有限。

陳伯年幼喪父，才唸了幾年書，就逼着輟學了。小小年紀，已經要挑起生活的担子，在街頭巷尾販賣些花生糖薑糖之類的小食，靠着這些蠅頭小利渡日。日軍佔領香港的時候，他逃到了廣州，一直到了光復，才回到香港與家人團聚。

從二十歲起，陳伯便加入了教育部，在不少學校服務過。學生耍些什麼花樣，有些什麼法寶，都看在他的眼裏。哈哈！奉勸你們小心！花樣要耍就要新！

「種瓜得瓜，種豆得豆」，不錯的。在陳

伯刻勤儉用的努力下，終於苦盡甘來。他有一個屬於自己的小天地，他的三位公子也先後成人。他本可享一下清福的，但事業心重的他仍舊衷心樂意的為我們服務。他笑着說：「你們這樣友善可人，我又怎捨得離開你們呢？」

□葵嫂——一位能幹的主婦

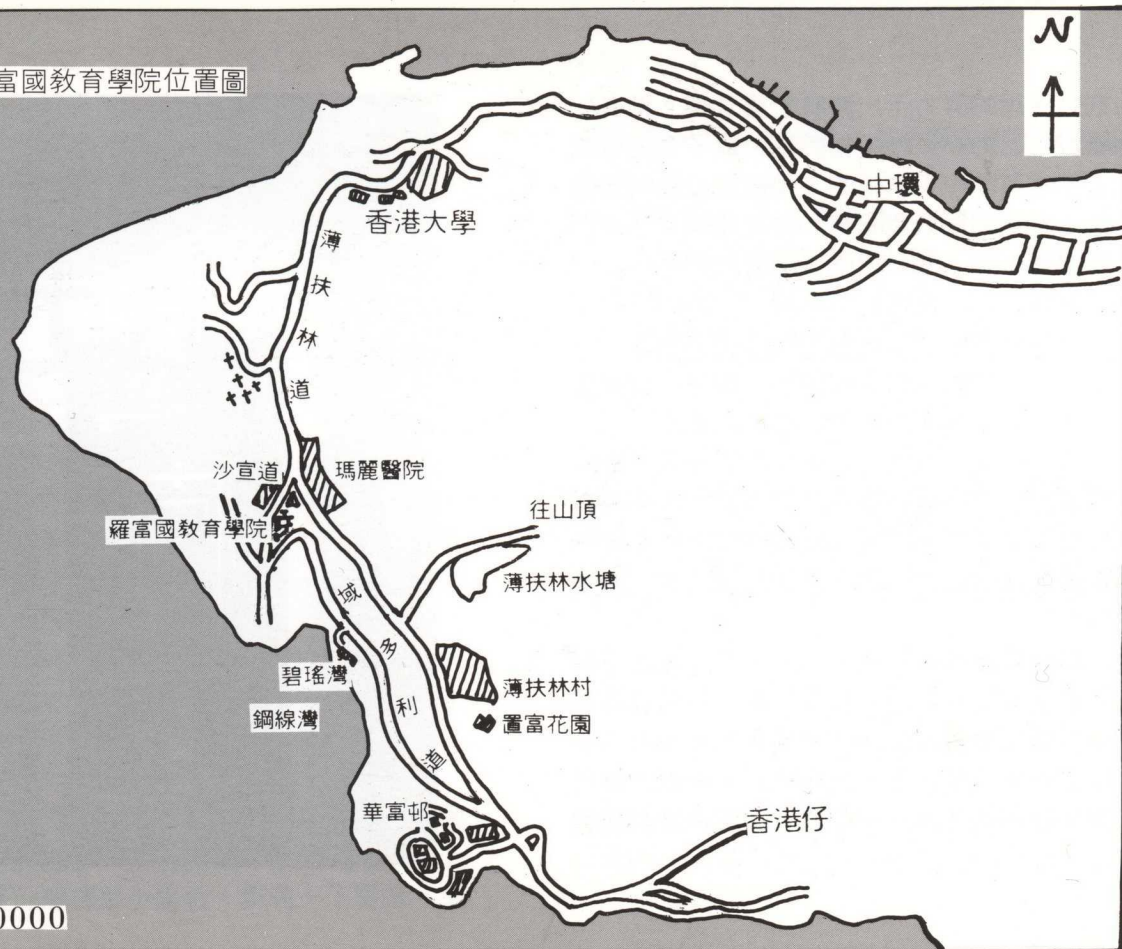

女生宿舍的洗衣房每天都是地板光潔，一塵不染，不知大家可曾留意到，這是一位幕後女英雄——葵嫂——悉心料理的成果。

偷偷的講一些她的往事給你們聽吧！在人浮於事的當年，葵嫂隻身來到香港，靠擺賣為生。結婚後，有了孩子，葵嫂除了疲於奔命的照顧丈夫及幼兒外，還接了些衣服洗熨，幫補家計。

好容易才把孩子養大成人，但葵嫂並沒有因而稍圖安逸。相反，她是不辭勞苦的在羅富國教育學院學生宿舍工作。其實，她也近六十歲了，很應該享一下「兒孫福」，不過，她仍是繼續為我們服務。但願我們都能以她為榜樣。

羅富國教育學院位置圖

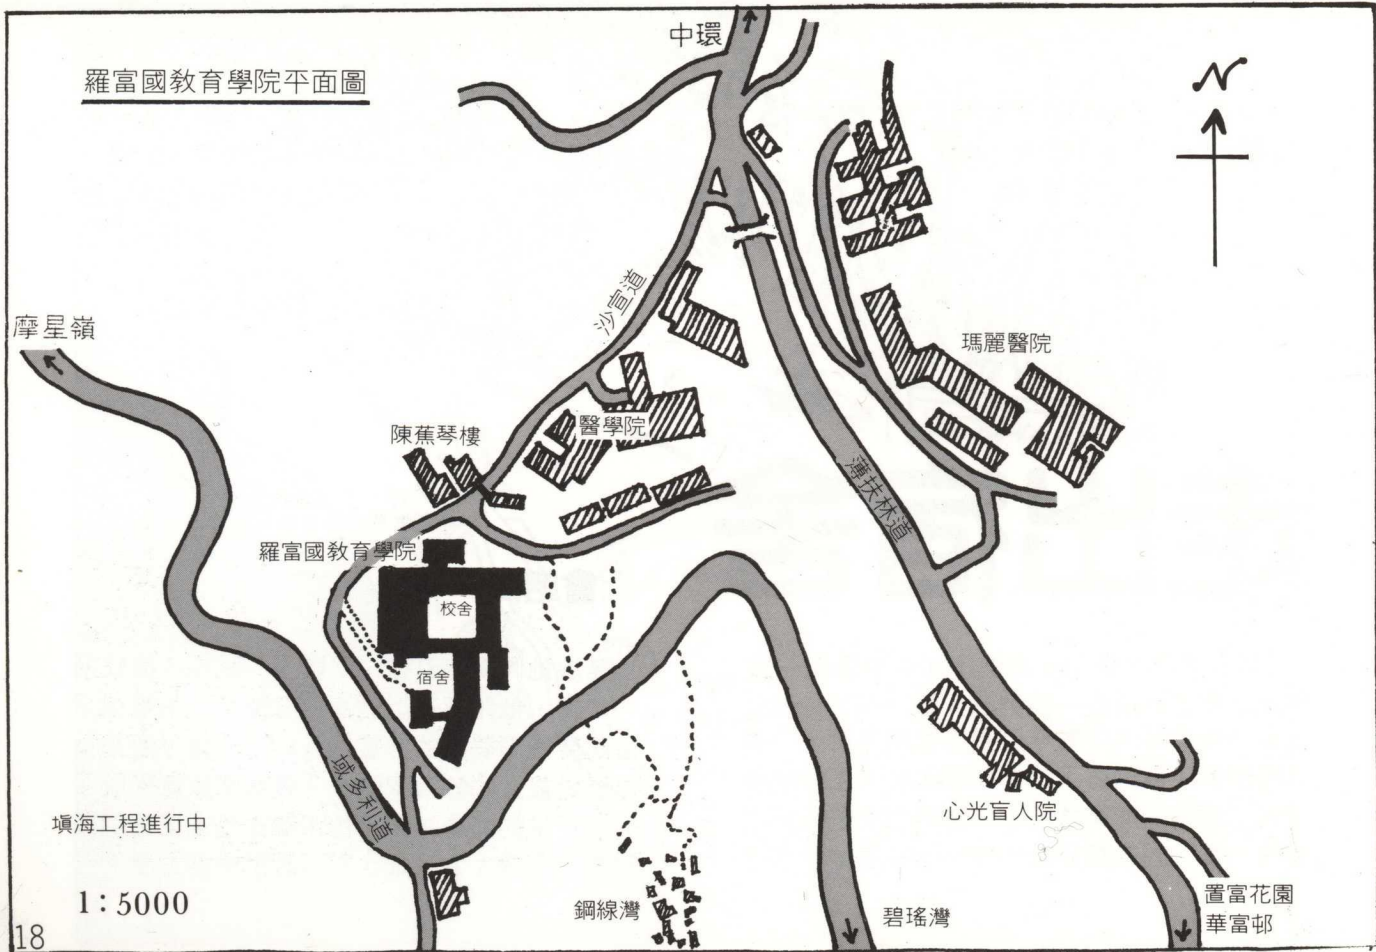

走出宿舍

□ 曾昭偉

每日清晨，數以千計的市民在中環統一碼頭巴士總站前排成一列列的人龍，苦苦地輪候巴士。在這羣人中有不少是未來的老師——羅師的學生。他們每天都是如斯地和大部份的香港人一樣飽受擠車之苦，但是他們也是較為幸福的一羣，因為那兒有四條巴士線給他們選擇

，無論他們乘搭71號、7號、37號或4號任何一條線，他們都可以到達瑪麗醫院，下車後沿着兩旁樹影婆娑的沙宣道走約三分鐘，便是香港歷史最久的教育學院——羅富國教育學院了。在正常的交通情況下由中環乘巴士至羅師需時三十分鐘左右。這也可以說是頗為方便。

羅富國教育學院平面圖

但當這些同學正迫在車廂內或匆忙趕回校上課時候，有部份同學却仍沉醉於睡鄉之中。他們就是羅師的宿生了。

羅師共有一百九十二個宿生，他們一同居住在一座四層高的宿舍裏，因為地勢的關係，宿舍是弧形建設的，而宿舍內的設備可算是完

善，同學的居住密度也不算高。此外，由於宿舍的位置得宜，因此美麗的海景、迷人的夕陽和破曉時的山谷，這一切的風景都為「離家別井」的宿生添上一點生活的色彩。當然有部份的宿生由於舍監的住所所阻而無法在房內欣賞到這些風景，但只要他們在旗桿下或那小小的

羅富國教育學院全貌

花園裏便可欣賞到那迷人的景色。羅師宿舍不愧為香港難得的住宿好地方啊！

四層高的弧形宿舍

那麼現在就帶大家去認識羅師宿舍周遭的環境。羅師與外界的直接交通主要依靠薄扶林道。學期初時，在薄扶林道的巴士專線還未實施之前，二年制二年級的宿生由於要往般含道那邊校舍上課，所以便像走讀生一般，每日清早七時便要起牀，因為當時薄扶林道往中環的交通異常擁塞，由瑪麗醫院到大學堂往往要花半個鐘以上的時間，究其原因是由於香港仔中心、薄扶林花園、置富花園、碧瑤灣等的迅速發展，於是港島的西南區人口便急劇上升，但是道路網計劃缺乏，到最後整條薄扶林道便不勝負荷了。在八一年十一月左右政府終於在瑪麗醫院至香港大學體育館的那段路實行巴士專線。這項措施使二年制二年級的同學每日節省了二十多分鐘的行車時間。雖然如此，薄扶林的交通情況始終惡劣，這種情況希望在擴闊路面及香港仔隧道兩項工程完成後能得以改善。政府在發展某些地區的時，往往缺乏了道路發展計劃，薄扶林道交通擠塞的情況便是一個好好的例證。

從沙宣道往下走，經過醫學院便是羅師的正門，站在這裏向下望便是水波平靜如鏡的海面，長洲及大嶼山清楚可見。正門的對面是香港大學醫學院的陳焦琴樓。這兒除了有行政的辦公室及學生會休息室外，直接影響羅師同學的還是那個可愛的飯堂罷。這個飯堂服務效率頗高，夏天有空氣調節，價錢便宜，故此吸引了不少醫學院學生以外的顧客。這些顧客包括了羅師的學生和導師，在晚間不少羅師的宿生都會跑到這兒用他們的晚膳。倒奇怪，羅師的同學喜歡到陳焦琴樓去，但醫學院的學生却又喜愛走來羅師飯堂吃飯，難道這便是「飲食交流」嗎？

沿着沙宣道再向下走，過了羅師便到了一處十字路口。如果向前再走便是沙宣道的後半段。這裏全都是一些別墅式的寓所，在路口那一間古老的歐式堡壘型別墅便是霍英東先生的寓所。在這莊嚴的寓所內有一位印籍看更，此公與別的印籍看更不同，他那大紅的臉兒襯上那把大大的白鬍子，威武之態與三國時代的關

「第二飯堂」——陳焦琴樓

公可以匹比，怪不得他能夠當霍府的看更了。各同學，如果你還未見過此公，有空的時候可以到霍家門前逛逛，說不定你也能一睹他的風采。

在霍家及羅師後面的路旁都生長滿兩種可

愛的小野花。一種是翼葉老鴉嘴 (*Thunbergia alata*)，另一種就是紅花酢漿草 (*Oxalis conymbosa*)。

翼葉老鴉嘴是一年生具纏繞性的草本，全植物披有柔毛。葉是對生，長 $2\frac{1}{2}$ cm— $7\frac{1}{2}$ cm，心形或近三角形。花是單生由葉腋抽出，而生於長柄上。花萼細小，具齒，藏於兩片綠葉而與萼管等長苞片內。花冠長4cm，奶白色至橙黃色，喉部呈深紫近啡色。花冠管狹，末端為五片圓形張開之裂片。這種花原產於熱帶非洲，傳入香港時似乎是一種園藝作物，但現已普遍見於路邊及荒地上。

至於紅花酢漿草，它是一種矮生成束的草本植物，具複生之鱗莖狀根莖，葉具三小葉片，花是淺紫色或紫粉紅色，花瓣五片，分離但重疊。這種草是盆栽或庭園中的一種令人討厭的野草，因為要完全消滅此植物甚感困難。而花期在夏季及秋季。

在薄扶林區，說到植物不能不一提洋紫荊 (*Bauhinia blakeane*) 了。沿着沙宣道的下半

段，即從霍英東寓所開始至沙宣道尾，道旁長滿著這種香港的市花，它與其他地區所見粉紅帶白的那一種不同，其實粉紅帶白的那一種常被誤為洋紫荊，它們只是宮粉羊蹄甲 (*Bauhinia variegata*) 而已。最初洋紫荊是由一位法國教會神父於1908年發現於薄扶林近海邊破屋附近，後以亨利布力爵士 (*Sir Henry Blake*) (1898至1903年之港督) 為名，於1965年正式被採用為香港之市花。這種花的繁殖方法可用扦插或高空壓條法。葉為單葉，近圓形而有兩裂片，頂端深裂，故甚易辨認。花狀似蘭花，花色為紫紅色而有深色之斑紋，花期很長，由每年的十一月至翌年三月末旬。常生於不當風而土壤良好的地方。此品種不產生花粉，此乃與宮粉羊蹄甲 (*Bauhinia variegata*) 不同，因為後者有黑色種的果筴。

除了這些植物外，筆者亦曾經在沙宣道的下半段處目睹過松鼠的出現。但相信在不久的將來這些松鼠將會消失，這是由於附近大興土木建築別墅的原故。

宮粉羊蹄甲
(*Bauhinia Variegata*)

香港大學講師宿舍

香港大學新體育館的建築工程

在沙宣道向右轉便是域多利亞道，一直可通往摩星嶺，這一段道路風景幽美，向海下望卻發覺正在進行填海工程，原來香港大學的體育館（**Sport Complex**）正在那處興建，現已有一草地足球場完竣了，另外其他建築物也略見外型。他日說不定羅師與醫學院每年一度的沙宣道盾比賽又會多一處比賽的好地方，項目因而增加也不一定。但很可惜由於香港大學在這裏擴展，港大高級講師宿舍也在這裏座落，因而阻礙了羅師宿舍的視野，真是大煞風景。

從沙宣道向左走便是鋼線灣的村口，這條村子不算大，但卻處於四周高尚住宅的中間，很是諷刺。鋼線灣的居民與羅師有著頗密切的關係，每星期二及四的「義補」學生大部份來自鋼線灣的。每週日或週末，偶然也會有這條村的小孩子跑到羅師的球場去打球。

在年前鋼線灣也是羅師宿生消磨黃昏的一處好地方。記得有些舊宿生在暑假時候在那裏租間房子「渡假」。他們每日除了游泳之餘，

鋼線灣村

還可以垂釣及過著一些鄉間生活。但不知是什麼原因，近年來羅師的宿生已經不再往那兒去了，或者是由於大家都著重功課，甚至放學後一部份同學要趕著去補習罷。

說到補習，相信大多數找補習的同學都渴望能在鋼線灣鄰近的碧瑤灣找到一份補習的。

因為除了較近學院外，薪酬也不菲的。當然找補習，置富花園也是一個很理想的地方。而後者對羅師學生的幫助較之碧瑤灣來得大，因為那兒有一個頗具規模的商場，內裏有酒樓、餐廳、超級市場等。如果同學在午飯前不用上課的話，偶然都會乘車到這兒大吃一頓，頗有風味。

當然，置富花園對同學的幫忙遠遠不及華富邨的方便。這個香港早期的廉租屋邨，交通方便，設備齊全。各式食物館應有盡有，士多、辦館、超級市場、公共圖書館無一不備，最重要的還是銀行服務利便宿生提款及存款。

連駁著華富邨與羅師的一段薄扶林道是同學清晨或黃昏時跑步的好去處。在黃昏夕陽西下之際，懶洋洋地漫步於薄扶林區，忘卻一日之辛勞，真是一件賞心樂事。相信在香港這個步伐快速的都市裏，每人都很難有機會得此閒逸的享受，但願各同學珍惜他們在學院內的兩三年時間，為將來作好準備，共同建設這社會。

請統府闔 的日子

□紀傳香

請東

羅師宿舍自從二十年前啓用至今，曾舉辦過無數的活動。宿舍的活動可分兩大型：一是周年性的；一是經常性的。周年性的活動是每年舉辦一次，如迎新晚會、化裝舞會、歌唱比賽等。經常性的活動則為學期中經常舉辦的小組活動或比賽，如緩步跑、興趣小組、橋牌比賽等。經常性的活動已有專欄報導，在此不多提了。

宿舍周年性活動包括六大項：迎新晚會、化裝舞會、開放日、燒烤、歌唱比賽及歡送會。此六項節目除開放日兩年舉辦一次外，其餘的每年都舉辦一次。

迎新晚會的目的當然是歡迎新入伙的一年班同學，以促進新舊住客的認識，故多在一年班同學入住的第一個星期某一個晚上舉行（九月尾十月初）。節目內容主要是遊戲、唱歌、跳土風舞，並有茶點招待各參加者。

以往二年班同學到十一月便外出實習，故在十、十一兩個月沒有什麼大型的活動。直至
